GENERAL INFORMATION

The Hunt County Appraisal District (CAD) is a political subdivision of the State of Texas created effective January 1, 1980. PROPERTY TYPES AND VALUE DISTRIBUTION

Most of the tax units offer some level of homestead exemption to 19,177 residential homesteads in the county. All schools are required to grant a \$15,000 value exemption to regular homesteads and an additional \$10,000 of value to Over-65 and disabled persons. Other tax units may grant a percentage homestead up to 20% based on annual decisions by their governing body or voters. In addition, any amount of exemption may be set by tax units for the Over-65 or disabled including schools that would add on to the state mandated exemptions.

Approximately 27% of the county is totally exempt from taxation. Other than property owned by local taxing entities, The University of Texas A & M at Commerce is the largest valued exempt taxpayer. Other totally exempt properties include typical properties such as public schools, churches, city and county owned properties, and numerous charitable organizations.

New taxable value of \$108,052,930 was added to the tax rolls. This represented 1.340% of the Total Market Value. Of that new value, \$61,025,650 was in new residential housing. Commercial and industrial real properties added an additional \$23,606,830 and tangible personal business and industrial properties added \$23,420,450.
